

GRAVEYARD ALLEY & Co.

HISTORIC HUNT GUIDEBOOK & MAP

Dear Reader,

Do you dare to brave the magical world of Graveyard Alley? The Four Siblings were up to the challenge, and look what happened to them!

Nonetheless, should you, too, wish to experience the magic, then I have a secret to share...

Hidden in plain sight among the shops and historic sites of downtown Dandridge, there are 17 Graveyard Alley tokens just waiting to be discovered by your eyeballs, as JoJo would say.

Participants who collect photos of all 17 tokens will be entered into a drawing to be held on October 10th before Music on the Town. The winner will receive a grand prize gift basket from the Shops of downtown Dandridge. The collection of unique gifts represents the charm, character, and history of the town, containing over \$150.00 of bonafide Dandridge treasure.

But, because Felicity would say that everyone is a winner, although only on account of she hates to ever lose, all participants who complete their final submission to the Historic Hunt will be rewarded...in sugar.

Get your hand stamped after your final submission at the Unkind Raven to collect a free sweet treat from Meeting Street Books & Cafe! However, you should know, in Jessie Lee's vision of your future, napkins are involved.

The contest will be ongoing from September 5th to October 10th, 2024. Jac's advice? "Better sooner than later."
